Creative professional with 6+ years of experience in design, video production, branding, and UI/UX - starting as a hands-on creator and growing into a creative leadership role. Skilled at crafting impactful visual narratives, managing brand identity, and leading cross-functional creative projects. Experienced in collaborating with NGOs and mission-driven organizations, with a proven ability to blend storytelling, design thinking, and strategic communication to engage diverse audiences.

PROFESSIONAL EXPERIENCE

Sevalaya NGO -

Creative Lead / Designer & Branding Specialist

2018 – 2025 (6+ years)

- Directed creative communication across **50+** NGO campaigns, balancing design, video, and branding to maximize outreach.
- Developed and enforced branding guidelines, ensuring consistent identity across print, digital, and event touchpoints.
- Produced **100+** impact videos, documentaries, and social campaigns, boosting fundraising visibility and community awareness.
- Led creative campaigns utilizing ZOHO CRM to design and execute targeted bulk email strategies for donor engagement.
- Designed UI/UX prototypes for websites and donor portals, improving usability and increasing online engagement.
- Collaborated with senior leadership to craft communication strategies that aligned creative direction with the NGO’s mission and values.
- Mentored junior designers and editors, fostering a collaborative creative culture and upskilling the team in storytelling and design thinking.
