CAREER OBJECTIVE

To leverage my 7+ years of comprehensive graphic design experience and expertise in cutting-edge AI design tools to contribute to innovative visual solutions. Seeking a challenging role where I can utilize my proven track record of delivering 50+ successful design projects, combining traditional design excellence with modern AI-enhanced workflows to drive brand growth and user engagement

PROFESSIONAL SUMMARY

Creative and results-driven Graphic Designer with extensive experience in visual design, UI/UX development, and digital marketing solutions. Demonstrated expertise in delivering comprehensive design projects across diverse industries including healthcare, e-commerce, and technology sectors. Proven ability to integrate traditional design principles with innovative AI technologies, resulting in enhanced productivity and creative output. Strong technical foundation combined with artistic vision to create compelling visual experiences that drive business objectives.

PROFESSIONAL EXPERIENCE

Senior Graphic Designer

Altrosyn Technologies Pvt Ltd | 2019 – Present (6 Years)

- Designed and delivered 50+ responsive website mockups and mobile application interfaces for clients across healthcare, e-commerce, and technology sectors, achieving 95% client satisfaction rate
- Created comprehensive brand identity packages including logos, brochures, banners, and business cards, resulting in enhanced brand recognition for 30+ clients
- Developed animated marketing videos using Adobe After Effects, increasing client social media engagement by 40% across Facebook, Twitter, and Instagram platforms
- Built various website types including corporate landing pages, admin portals, and full-scale e-commerce platforms with focus on user experience optimization
- Successfully integrated AI design tools (ChatGPT) to streamline workflow, reducing project delivery time by 30%
- Collaborated with cross-functional teams including developers and marketing professionals to ensure seamless design-to-development handoffs
- Managed multiple concurrent projects while maintaining high quality standards and meeting strict deadlines

Graphic Designer

ZA Creator Technology Pvt Ltd | 2018 – 2019 (1 Year)

- Created visual designs for software applications and digital platforms, establishing foundation in tech industry design requirements
- Developed brand identity materials including logos, marketing collaterals, and digital assets for technology clients

KEY ACHIEVEMENTS

- Successfully delivered 50+ comprehensive design projects across healthcare, e-commerce, and technology sectors with 95% client satisfaction rate
- Created brand identity packages for 30+ clients, resulting in improved market recognition and brand positioning
- Established expertise in converting design mockups to functional websites using AI tools (ChatGPT)
- Maintained 100% on-time project delivery record while managing multiple concurrent design projects
