PROFILE SUMMARY

Ambitious Full Stack Developer with a strong foundation in React.js and PHP/MySQL architectures. I specialize in building responsive frontend interfaces and secure backend logic, with a proven ability to translate complex requirements into functional, user-centric web applications through dedicated project work and professional internship experience.

TECHNICAL SKILLS

- **Frontend Development:** React.js, JavaScript (ES6+), HTML5, CSS3, Bootstrap, DOM Manipulation
- **Backend & Database:** PHP, MySQL, RESTful APIs, JSON, CRUD Operations
- **Tools & Version Control:** Git, GitHub, VS Code, Postman, Chrome DevTools
- **Core Competencies:** Responsive Design, Cross-Browser Compatibility, Performance Optimization, State Management

PROJECTS

HOOD - AI Prompt Sharing App ParkQwik Pvt Ltd | 2025

- Architected a scalable React frontend focusing on component reusability and efficient state management for a seamless user journey.
- Streamlined rendering logic to ensure high-performance interactions and modern visual consistency across diverse platforms.

Zoy Digital - Digital Marketing Website MicroTech Computer Education | 2025

- Developed a dynamic platform with a custom admin dashboard for secure, real-time management of marketing content.
- Engineered REST API integrations to handle live data flow, significantly enhancing application responsiveness and data accuracy.

Fresheat Hotel Website MicroTech Computer Education | 2025

- Built a comprehensive hotel management application, successfully transitioning static designs into a dynamic system with integrated booking tools.
- Structured optimized MySQL database schemas and PHP backend logic to handle service listings and customer inquiries reliably.

KMS Paramedical College Website MicroTech Computer Education | 2024

- Redesigned the institutional web presence to achieve full mobile responsiveness and modern performance standards across all major browsers.
- Implemented interactive DOM elements and optimized visual assets to create a professional and engaging user experience.

INTERNSHIP & CERTIFICATIONS

Frontend Developer Intern ParkQwik Pvt Ltd | Jul 2025 - Nov 2025

- Developed and optimized 10+ responsive React interfaces while collaborating with backend teams to integrate REST APIs and resolve over 50 critical UI/UX functional issues.

Certifications

- TCS ION National Qualifier Test (NQT - IT): Secured 79.82% Overall Score (Python Programming: 72.70%)
- Full Stack Web Developer: Certified by MicroTech Computer Education
- Frontend Developer Internship: Certificate of Completion from ParkQwik Pvt Ltd

EDUCATION

Bachelor of Computer Applications (BCA) 2019 - 2022

Bharathiar University, Cheran Arts and Science College
