SUMMARY

Motivated Computer Science graduate with a solid foundation in Software Testing, including SDLC, STLC, and Defect Life Cycle. Skilled in Manual and Automation Testing using Selenium, with hands-on experience in black-box testing techniques. Eager to start a career as a Software Test Engineer.

EDUCATION

B.E. Computer Science and Engineering **2021 - 2024**
Dhanalakshmi College of Engineering, Chennai. CGPA: 7.7

Diploma of Mechanical Engineering **2018 - 2021**
Shanmuga Polytechnic College, Thanjavur. Percentage: 76%

SSLC **2017 - 2018**
Morning Star Matriculation School, Thanjavur. Percentage: 68%

TECHNICAL SKILLS

Databases: Statements of SQL: DDL, DML, TCL, DCL, DQL.

Manual Testing: Test case design, Test Execution, Regression Testing, Functional Testing, Smoke Testing, Sanity Testing, Bug Tracking, Defect Reporting, SDLC, STLC, Bug Life cycle, Black box design techniques, Agile model.

Automation Testing: Selenium WebDriver Interface, TestNG, XPath Locators, Actions Class, Alert Handling, Waits in Selenium, Test Script Execution

Tools: Selenium, Jira, Google sheet

PROJECTS

SYSTEM TESTING ON PARABANK ONLINE BANKING

- Designed and executed comprehensive test cases for the ParaBank online banking application.
- Validated core modules including registration, login, account creation, fund transfer, bill payment, loan request, and customer support.
- Ensured seamless end-to-end functionality, including transaction workflows and logout/session handling.

INTEGRATION TESTING ON SHOPPERSSTACK WEBSITE

- Tested the complete end-to-end product purchase flow on the ShoppersStack e-commerce website.
 - Verified integration between sign-up, login, product search, cart, address entry, and GPay payment modules.
 - Designed and executed detailed test cases to ensure smooth data flow and module interaction.
-

INTERNSHIP & TRAINING

Software Testing | Feb 2025 - Oct 2025

Performed both Manual and Automation Testing using Selenium with Java, and applied SDLC, STLC, and SQL concepts in real-time scenarios.

Amazon Web Service | Sep 2023 - Oct 2023

Gained knowledge of cloud computing concepts including EC2, S3, IAM, and VPC, and understanding of cloud deployment and management practices.

CERTIFICATIONS

Completed certification in Software Testing
