PROFESSIONAL SUMMARY

Entry-level Java Backend Developer with hands-on experience in developing RESTful web applications using Java, Spring Boot, Spring Data JPA, Hibernate, JDBC, and MySQL. Strong understanding of Object-Oriented Programming (OOP), MVC architecture, and database design. Experienced in building scalable backend systems including an Employee Management System and an E-commerce application. Familiar with Git version control and backend development best practices. Eager to contribute to a dynamic organization and grow as a software developer.

TECHNICAL SKILLS

Programming Languages: Java, Python

Frameworks: Spring Boot, Spring Security, Spring Data JPA, Hibernate, Microservices

Backend Technologies: JDBC, Servlets, JSP, REST API Development

Database: MySQL, SQL, CRUD Operations

Core Concepts: OOP, Collections Framework, Exception Handling, MVC Architecture

Web Technologies: HTML, CSS

Tools & Platforms: IntelliJ IDEA, PyCharm, Apache Tomcat, MySQL Workbench, Git, GitHub

PROJECTS

Chocolate Shop – E-Commerce Web Application

- **Technologies:** Java, Spring Boot, Spring Data JPA, Hibernate, MySQL
- Developed a RESTful e-commerce web application to manage products and customer orders.
- Implemented product search functionality using Spring Data JPA query methods.
- Designed session-based cart management using HttpSession.
- Built dynamic cart total calculation and checkout process.
- Implemented stock validation and automatic quantity updates during order processing.
- Ensured clean backend architecture following MVC design pattern.

PROFESSIONAL EXPERIENCE

Java Full Stack Intern

Suriya Informatics Solution Pvt. Ltd.

- Developed Java-based applications using Object-Oriented Programming principles.
- Implemented database connectivity using JDBC and MySQL.
- Built backend modules following MVC architecture.
- Worked with Collections Framework and exception handling.
- Collaborated on developing structured and maintainable code.

EDUCATION

B.E. Computer Science Engineering

Vels University, Chennai — 2025

Diploma in Mechanical Engineering

IRT Polytechnic — 2022
